
Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

Emergency Transfers

The Appalachian Regional Coalition on Homelessness (ARCH) Continuum of Care (CoC) is concerned about the safety of the tenants of the housing programs within its geographic area that are funded by Continuum of Care (CoC) Grant funds and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA), CoC-funded programs providing permanent housing or transitional housing, except safe havens, must allow tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability of a housing program to honor such a request for tenants currently receiving rental assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the housing provider has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy. The transfer agency is encouraged to utilize other referrals to other CoC projects if no other options are available in their program. Receiving agencies are required to provide placement if eligibility is met. Transfer agencies are only required to provide two appropriate options.

This plan identifies tenants who are eligible for an emergency transfer; the documentation needed to request an emergency transfer; confidentiality protections; and how an emergency transfer may occur. In addition, it provides guidance for tenants on safety and security. The plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency which ensures that ARCH and the CoC- and ESG-funded providers within its geographic area in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR Part 5, Subpart L is eligible for an emergency transfer, if:

- The tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit; or
- The tenant is a victim of a sexual assault, and the sexual assault occurred on the premises within the 90-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, a tenant must notify the housing program's administrator or manager and submit a written request for a transfer to that individual. The tenant's written request for an emergency transfer should include either:

1. A statement expressing why the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains in the same dwelling unit assisted under the housing provider's program; or
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-day period preceding the tenant's request for an emergency transfer. The housing program may request additional documentation from a tenant in accordance with the documentation policies of HUD's regulations at 24 CFR part 5, subpart L.

Confidentiality

The housing program will keep confidential any information that the tenant submits in requesting an emergency transfer, unless the tenant gives the housing program written permission to release the information or disclosure of the information is required by law or in the course of an eviction or termination proceeding. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person or persons that committed the act or acts of domestic violence, dating violence, sexual assault, or stalking against the tenant.

Emergency Transfer Timing and Availability

The housing program cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. However, the housing program will act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to the availability and safety of a unit. If the housing program does not expect to have another unit available within a reasonable period of time, it will contact other housing programs in the area to determine whether they have an available unit. If a unit is available, the tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant is being transferred.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe. The tenant is encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).
